## Founders Sumatra Mountain Brown Ale

This bold, imperial brown ale gets its body from a team of malts including Caramel malt for sweetness, flaked barley for dense foam, a bit of Chocolate malt for its deep color and Aromatic and Munich malts to add even more depth. German and Perle hops add a touch of bitterness to balance the malty sweetness. The addition of rich Sumatra coffee takes this perfectly balanced imperial brown ale to a decadent level.

## Spectra Trifecta

Brygget i tradisjonell Kolsch stil, noe som krever fermentert aleggjær ved en kaldere temperatur og gir ølet en ren overflate. Dette lyse, gygne ølet er brygget med en rekke naturlige ingredienser. Jordaktig, floral og litt søt kamille; et snev av sitrongress og et hint av krydret frisk ingefær.

## Founders Mosaic Promise

Mosaic Promise showcases two unique ingredients: Mosaic hops and Golden Promise malt. The versatility of the hop's pleasing aroma and flavor characteristics and the traditional barley's depth of flavor comprise this clean, rich, golden beer. We can brew complex beers with the best of them, but we recognize that there is also beauty in simplicity.

## Founders ReDANKulous

This bold, 9.5% imperial red IPA pours a pleasing burnt amber color. Caramalt and roasted barley introduce a subtle sweetness, but the hops are the true headliner in this big IPA. The spicy, piney and tropical complexities of Chinook, Mosaic and Simcoe hops hit you right away with their dank aroma – and they stick around. It's not just ridiculous. It's reDANKulous.
