Real Cocktail Ingredients began in 2006 with a singular focus; to create the first cream of coconut product that wasn't packaged in a can. But after sharing Coco Real with mixologists all over the world, we uncovered a need for a new line of products that would allow these cocktail artists to meet the demands of mixology minded consumers everywhere and continue to push the boundaries

of cocktail creation to new heights. So in 2014, Real's full line of infused syrups was born. Inspired by the mixologists that have dedicated their lives to raising the bar on quality cocktails, we set out to create a full line of infused syrups that highlight the most authentic, real and pure flavors on Earth.
